

**ÖSTOL OLDTIMER OIL
SAE 10**

TECHNICAL INFORMATION

Östol Oldtimer Oil **SAE 10**

Description

Östol Oldtimer Oil SAE 10 is a mildly alloyed single-grade engine oil, best suited for internal combustion and diesel engines of older design without turbocharging, with or without oil filter. The oil is ideal for pure winter operation.

Qualification: API-SF/CC

Summary of the advantages

-  Excellent cold-start properties
-  Quick lubrication of all engine parts
-  Oil pressure immediately available
-  Very good seal compatibility
-  Gentle on materials, also for seals and paints
-  Can also be used as detergent oil
